Chalice Reading

We have come together today,
Now is the time to make this our place
We are Unitarian Universalists.

We light this chalice; it is our symbol.
It represents all of the important things
Which make us who we are
And which hold us together.

Let us create our space together
And make for ourselves
A safe place to grow and learn
And to be fully who we are.

Song 1

Enter rejoice and come in
Enter rejoice and come in
Today will be a joyful day
Enter rejoice and come in
(Sing through twice)

Song 2

Come all who dwell below the skies
Let faith and hope with love arise
Let beauty, truth, and good be sung
By every land by every tongue.

Song 3

Go now in peace, go now in peace
May the spirit of love surround you
Everywhere, everywhere you may go
(Sing through once, then again in a round)

The Sources of Our Living Tradition

Direct experience of that transcending mystery and wonder, affirmed in all cultures, which moves us to a renewal of the spirit and an openness to the forces which create and uphold life.

Words and deeds of prophetic women and men which challenge us to confront powers and structures of evil with justice, compassion and the transforming power of love.

Wisdom from the world's religions which inspires us in our ethical and spiritual life.

Jewish and Christian teachings which call us to respond to God's love by loving our neighbors as ourselves.

Humanist teachings which counsel us to heed the guidance of reason and the results of science and warn us against idolatries of the mind and spirit.

Spiritual teachings of earth-centered traditions which celebrate the sacred circle of life and instruct us to live in harmony with the rhythms of nature.
